FOR THE YEAR ENDING

DECEMBER 31, 1942

* Congregations and pastors thus designated are affiliated, but not yet members of the Evangelical and Reformed Church.

Ninety-seven Congregations thus designated failed to report for 1942. The figures used are of a former year.

The pastor's name is that of the pastor on May 15, 1943, and not necessarily that of the person who furnished the statistical report. In some instances, during a vacancy, a layman or some other person returned the statistics. Changes in pastorates known as late as May 15, 1943, are included.

The determination of the present communicant membership was made by the Administrative Committee in principle, and sometimes in individual cases.

William E. Lampe, Secretary.

These statistics are furnished by national officers of religious bodies, members of the United Stewardship Council. *Budget Benevolence* includes contributions to the missionary budgets of the reporting bodies. *Denominational Benevolence* includes gifts to any benevolence in the denomination whether or not it is included in the national denominational budget. The totals for all benevolences except *Other Benevolence* (which is always an odd and fluctuating item) and for *Congregational Expense* are larger than last year.

Most of the per capita items are larger.
